Mr. James R. Carpenter

DEDICATION

In preparation for his career in education, Jim Carpenter graduated from Los Angeles High School, obtained his Bachelor of Arts from the University of California at Berkeley and his M.A. from the University of Southern California. Mr. Carpenter's college work was interrupted in 1918 when he served as an ensign in the United States Navy. Following a year of teaching at Beaumont, Mr. Carpenter came to South Pasadena in September, 1920. His forty years of service as coach, teacher, vice-principal, and acting principal stand as a permanent record of loyalty. The generous and effective service of James Carpenter has extended into the community. His active membership in church, Kiwanis Club and the Oneonta Men's Club serve to represent the keen interest in South Pasadena community affairs demonstrated by this man. To Mr. James Carpenter—master teacher, sincere family man, sincere Christian gentleman, community and school leader—we dedicate the 1961 Copa de Oro.

Chuck
you have been a friend

Chucki –

I'm sorry you had to change seats,
but at least we were able to remain
in the same class. Socker was a chore
days have been lots of fun & it's true but
it's been loads of fun getting to know you.

Best wishes in a mighty Sr. year.

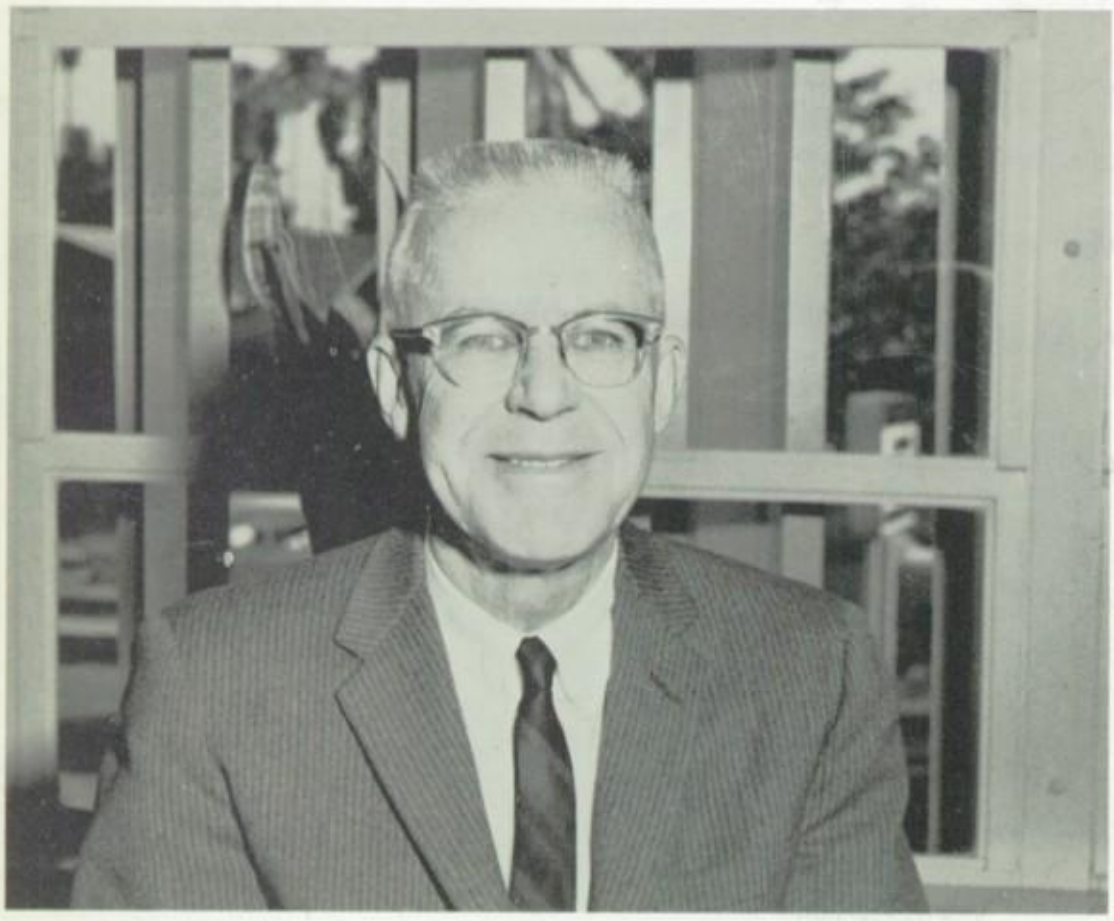
ADMINISTRATORS



DR. ELMER J. ERICKSON, Principal

For over thirty-one years Dr. Erickson, our distinguished principal, has proven his outstanding ability in high school administration here at Espee. Dr. Erickson wrote the textbook on California government that the seniors are currently using. He also is active in civic affairs as well as in his many duties here at the high school.

MR. LAWRENCE HARPER, Superintendent

Mr. Harper, respected superintendent of schools, is always busy doing an excellent job of co-ordinating the activities of the seven schools in our unified school district.

School Board, left to right: Mr. H. J. Wheeler, Mrs. R. Turpin, Mr. H. Pfanku, Mr. D. Coyle, Mr. H. Martin.

The School board, composed of five members, is constantly on the job giving direction to the aims of both individual students and the school district as a whole.

COUNSELORS

MISS MARGARET LAUER, Dean of Girls

Our dear Miss Lauer helps the girls at Espee to adjust to the many problems encountered in high school. She also co-ordinates all the activities for Girls' League and is a friend and advisor to all.

MR. JAMES GREGG, Vice-Principal

Mr. Gregg, in his third year as vice-principal of South Pasadena High School, serves as the advisor both to Legislative Council and Boys' League. He is also the boys' guidance counselor and directs the athletic events for Espee.

MR. HAROLD HARTSOUGH, Boys' Counselor

Having served Espee as a business teacher and financial advisor for the student body for several years, Mr. Hartsough is also the other boys' counselor. He is to be congratulated on his excellent work in all three areas.

MISS MARION WARREN, Girls' Counselor

Having served our student body as a social studies teacher for several years, Miss Warren acted this past year as a girls' counselor. She did an excellent job in assisting Miss Lauer in the tremendous task of caring for the needs of the girls at Espee.

ENGLISH

MISS ELEANOR TWEEDIE
"That's faulty."

MR. DONALD PHIPPIN
"Get up those anchors."

MRS. FLORENCE BLACK
"We'll work this out together."

Studying in the library????

Mrs. Hamilton instructs an English class in note-taking.

MR. WILLIAM THOMAS
"You ought to know that by now."

MISS HELEN REESE
"Sh-h-h, quiet."

MR. RUSSELL DOUGHTEN
"Now let's try to ACT it out."

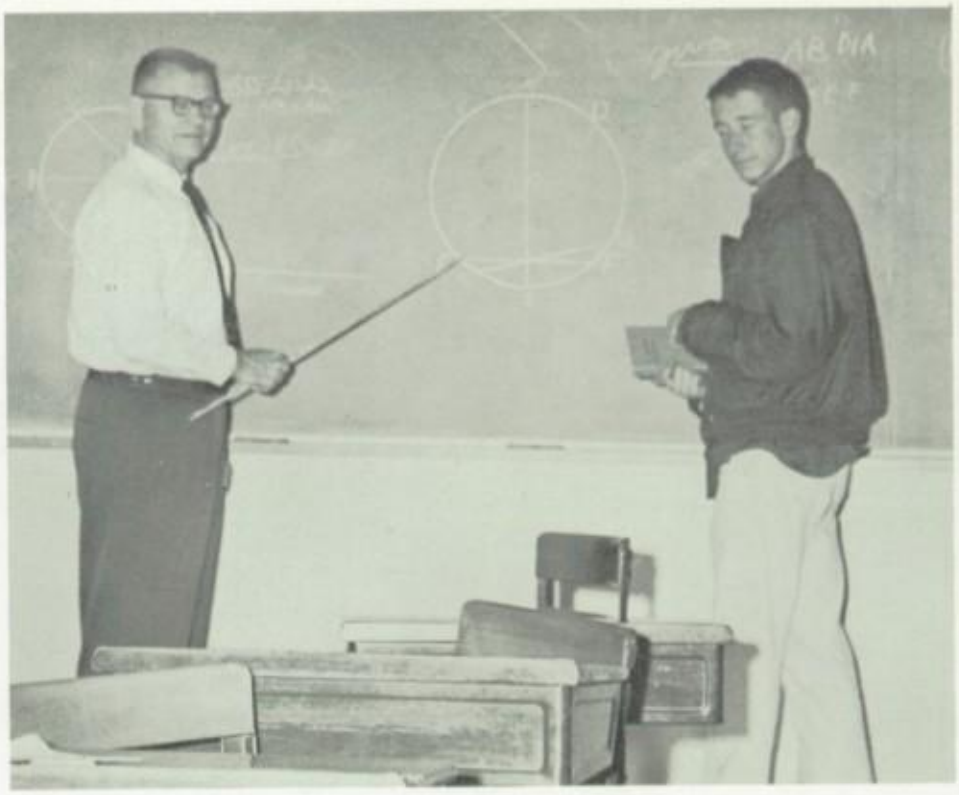
Espee's outstanding English Department, headed by Miss Eleanor Tweedie is a joy to all students. The courses of sophomore and junior English, senior composition and literature, drama, journalism, and reading improvement help the student to develop an individual, cogent expression in all phases of the English language.

MRS. MARGARET HAMILTON
"Let's reinforce this idea."

Joanna Mehl gives a book report in her English class.

Mr. Doughten's drama class study their parts.

MISS ESTHER STEELE
"And DON'T you forget it ! ! !



Mr. Carpenter explains geometry to Tom Hyland.

MATH

Pupils in the Mathematics Department are often heard to mutter "The log of 10 is 1.00000," "similar triangles have equal angles," "x & y=Z." Our able math instructors teach beginning algebra, advanced algebra, plane geometry, solid geometry, and basic math.

MISS ZONA RYMAN
"Now, any questions?"

MR. JAMES CARPENTER
"Please arrange the papers in a neat pile."

MRS. LENORE NIELSON
"What's your problem?"

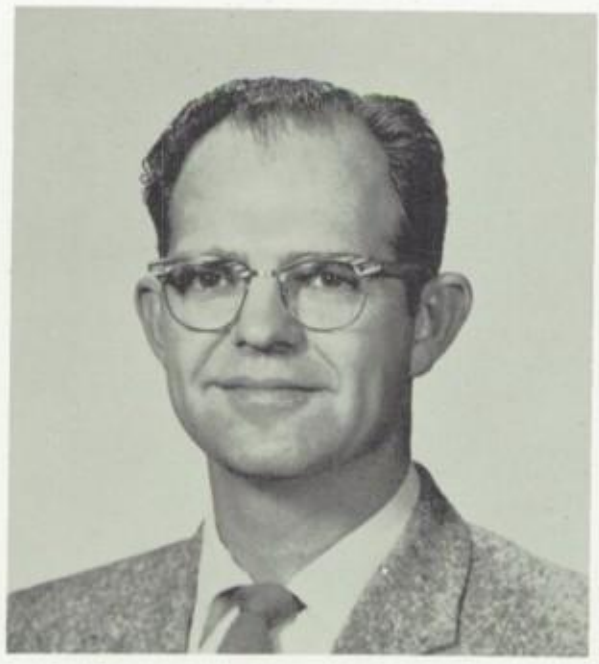
" Atencion, por favor!"

MISS NADIA TUPICA
Number 11 on the top line, cherubs."

FOREIGN LANGUAGE

Today jet planes circle the globe in but a few hours. People with far different customs who live in a society foreign to our understanding are, through the speed of transportation, becoming closer. To help us cope with the problem of language, our school offers three languages: Spanish and French for conversation and Latin as a basis for further study.

MISS HELEN BURR
"Muy bien hecho."



MR. NEIL BENNER
'A quiz today? Well, we'll see.
It depends on you."

MISS VALERIA KIMBALL
"Are there any VOLUNTEERS?"

SCIENCE

MR. CARL GRUHN
"It's ALL relative."

"Behold the lowly atom." This is the watchword of Espee's talented and expert science teachers as they strive to instill some measure of scientific knowledge in the minds of eager students. All pupils must take life science and a laboratory science to graduate. They must choose from Biology, Chemistry, Physics, Physical Science, or Science Research Seminar to satisfy the requirements.

Science Research Seminar listens to a speaker.

MISS MARY SOWARDS
"This is a Biology class,
NOT a beauty parlor."

MR. DAVID KELLY
"This is a TYPICAL . . .

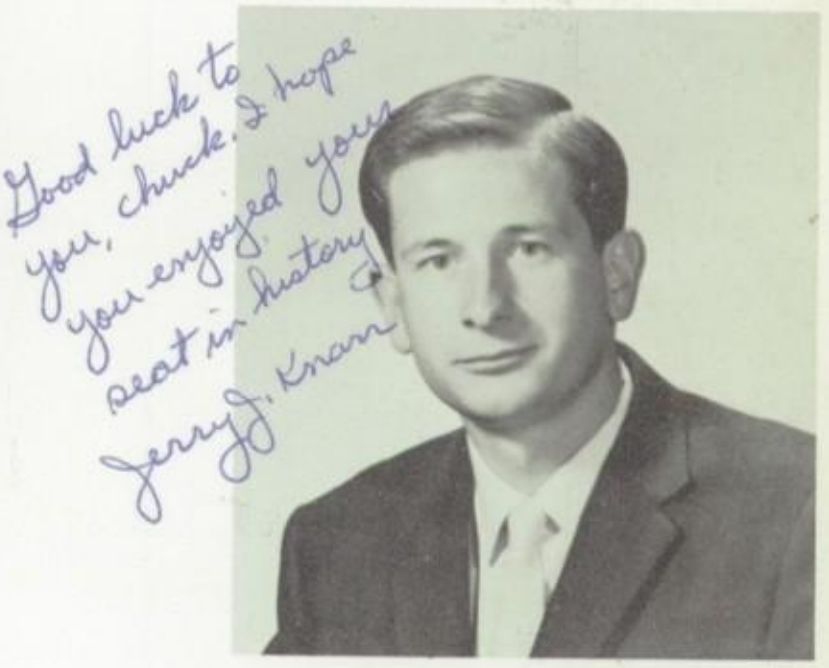
Miss Soward's Life Science class busily at work.

SOCIAL STUDIES

"That would be a good topic for a supplementary reading report." This is a phrase that is familiar to most Espee students who take Social Studies. Courses included are World History, American History, Government, and Social Science Seminar.

MISS MARION WARREN
"That paper is due today, not tomorrow."

Oh, ----, another test!



MR. JERRY KNARR
"DON'T tear up those tests in a fit of rage . . . I want them back."

Miss Warren leads a class discussion on foreign relations.

MR. ALDACE MINARD
"Now, remember that word, you may have to write it some day soon."

MR. DALTON
"No talking!"

MRS. MUNSON
"I told you to let me measure it before you cut."

MR. KIRKPATRICK
Okay, artists, stop the noise and let's learn to play those horns."

FINE ARTS

Our Fine Arts Department provides courses in art, design, art appreciation, band, choir, clothing, and cooking. Interested students gain practical and cultural satisfaction in these areas.

Students display their artistic ability in Mr. Dalton's class.

The choir vocalizes.

MR. STEVEN ARELLANES
"No, Johnson, you can't take a whirlpool today!" "No, Curry!"

MR. HAROLD EDGAR
"Turn down these - - - - - lights, PLEASE!"

MR. GARY PENN
"Get your equipment out, and quietly. please."

INDUSTRIAL ARTS

For the industrially and mechanically minded, Espee offers stagecrew, plastics, woodshop, metal shop, mechanical drawing, and graphic arts.

MISS CAROLE ROUNDS
"Now when I taught at Manual Arts . . ."

MR. HAROLD HARTSOUGH
"We have erred."

BUSINESS

Espee students who wish to take classes in business training, may choose from typing, shorthand, bookkeeping, general business, and business practice.

MR. JACK SWARTZBAUGH
"Well-uh-the way I see it—Well, on the other hand . . ."

MR. RAYMOND L. SOLARI
"The sands of time wait for no man."

MR. KENNETH SWIFT
"ATTENTION!" "I have a few things to say."

MISS VIVIAN ATHERTON
"Maybe some of you SHOULD be transferred."

MRS. CHARLOTTE PEPPER
"I want you to come when I send for you."

MRS. SHIRLEY WIESINGER
"I said constructive criticism."

PHYSICAL EDUCATION

The boys' and girls' gyms resound with the grunts and groans of students as Espee's Phys. Ed. teachers try to bring about some degree of co-ordination in unyielding limbs. The invaluable person who applies bandages and hands out cures to ailing students is our school nurse.

MRS. DORTHY DEAN

MRS. WINIFRED CORTEWAY

MRS. ELIZABETH DENNIGER

SECRETARIES

Espee's able secretaries assist our administration and counselors in their work. They take care of all the clerical work and keep the school running smoothly.

CUSTODIANS

Left to right: Mr. Hansom, Mr. Gribbe, Mr. Rich, Mr. Spence, Mr. Gotham, Mr. Connolly

A thousand and one seemingly small, yet very necessary jobs are done by Espee's devoted custodial crew.

CAFETERIA STAFF

Left to right: Mrs. Minta Childers, Mrs. Alice Nield, Mrs. Ruth Hutton, Mrs. Joan Lund, Christmas help, Mrs. Mardelle Bailey.

Our cafeteria staff do their best in preparing food for the students. This group also does the housekeeping in the cafeteria.

DAVID DICKSON, Commissioner-General

The 1961 Commission has done an excellent job this year. They are to be congratulated by the entire student body. They started off the year with the sale of ASB's (93%), and the successful Commissioners' Dance and the Rio Hondo League Dance. They also participated in the Rio Hondo League Forum, a monthly meeting of all the student body officers in our league. Four Commissioners took part in the Council of Associated Student Councils convention. The Commission also comprised and rated a school evaluation questionnaire. In addition they are to be congratulated for the fine publicity the school has received this year, the excellent assemblies, and the clean campus.

GIRLS' LEAGUE

Officers: Hannah Gruhn and Noel Hudson. Missing: Heidi Geissler and Irene Archer.

The membership of Espee's Girls' League includes every girl enrolled in the school. Headed by Hannah Gruhn, Commissioner of Girls, this organization traditionally stands for high ideals, courtesy, loyalty, honor, and the spirit of good fellowship. Each girl belong to a standing committee, the chairman of which serves on the Girls' League Cabinet, governing board of the organization.

Barbi Tinder and Noel Hudson display this year's Girls' League Calendar.

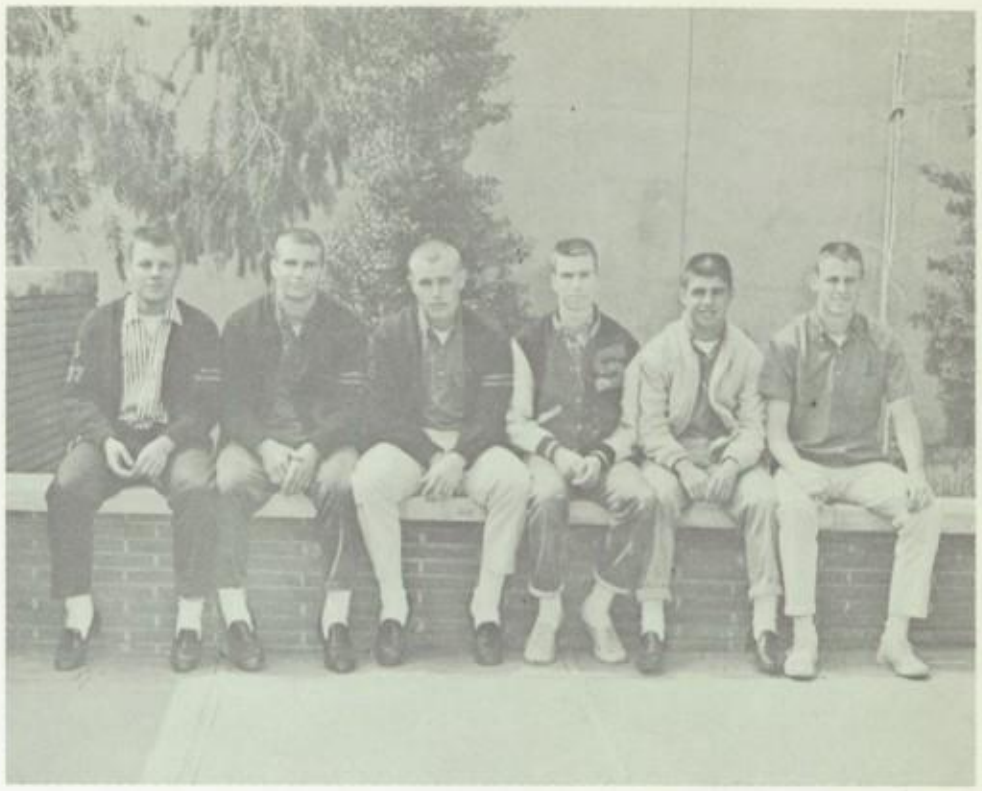
BOYS' LEAGUE

Boys' League, led by Todd Brem, was given a boost by interesting committee meetings — such as skin diving, jazz, architecture. athletics, and many other intriguing offerings every other month. The boys were treated to some excellent assemblies, the programs of which included films on billiards, professional diving, a Rams football game, and one on the Indianapolis speed races.



Officers, Left to right: D. Currey, J. Ritchko, D. Johnson, T. Brem, M. Paris, S. Fraser.

Chris Carr and Mike Garoutte "persuade" Colin Silvie to buy a League Dance ticket.

WELDON AWARDS

Each year the Weldon Fair Play Awards are presented to six outstanding senior students. These three girls and three boys have consistently shown the qualities of courtesy, independence, responsibility, good sportsmanship, and democratic leadership in all school activities.

In 1929, Mr. W. R. H. Weldon established the Fair Play Award plan which has been perpetuated by his sons since his death. The selection of the award winners is made by a committee of students and faculty.

Each year the names of the six honored students are engraved on the Fair Play Cup. In addition to this honor, the winners receive gold pins and certificates.

"Onward, upward, pushing ever forward," was the cry of the mighty class of 1961. Many outstanding events were crowded into this memorable year. High-lighting the year was the competition in the A.S.B. and Copa sales. The seniors also reaped a blue ribbon for their highly original Christmas booth. They triumphed again with their tremendous class play, **The Night of January 16th.**

Senior Ditch Day, Baccalaureate, the Farewell Assembly, Graduation, and the fabulous Grad Night Party at the Catamaran in San Diego all climaxed a wonderful three years.

Ably led by Mr. James Carpenter, class advisor, the class of '61 left South Pasadena High School with pleasant memories and bright hopes for the future.

SENIOR CLASS

SENIOR

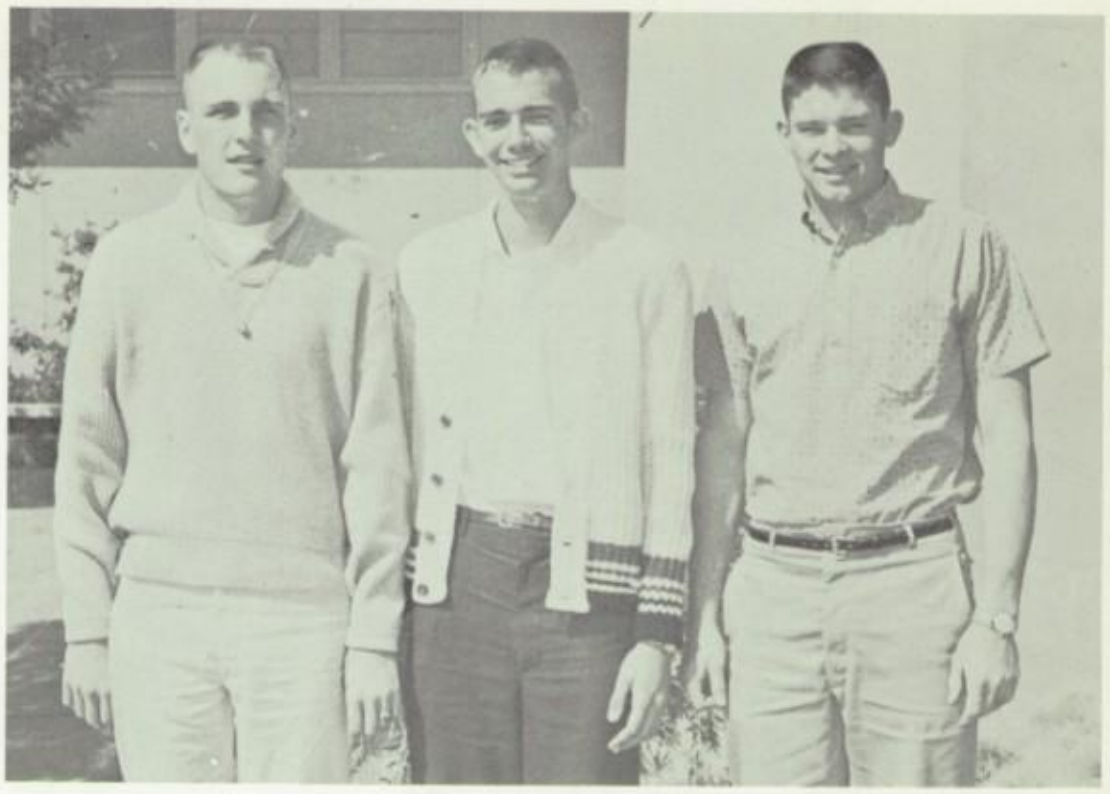
Summer school representatives were, left to right: Gordon Trimble, Berkeley; Chris Carr, U.C.L.A.; Martha Smith, Minnesota; Mary Gill, New Mexico; John Diebel, U.C.L.A.; Martha Smith, Minnesota; Mary Gill, New Mexico; John Diebel, U.C.L.A.; Vincent Alexander, Oregon.

Walt Meader served as our energetic sports announcer during the 1960 football season.

Representatives to Boys' and Girls' State were: Kent Warner, Karen Nesbitt, and David Dickson.

Senior committee chairmen were, **Row I:** Susie Winslow, Sue Harvey, Mary Ellen Sprinkle, Richard Whitman, Nancy Wheeeler, Leslie Clark, and Steffie Irving. **Row II:** Vince Alexander, Aggie Mulhearn, Beth Brown, Sally Bates, and Ken Clement.

ACTIVITIES



Speakers for Graduation were, left to right: David Dickson, Porter Johnson, and Pat Forster.

Members of the Commencement Committee were, **Row I:** Left to right: Joanne Lindsey, Karen Nesbitt, Noel Hudson, Hannah Gruhn, Caroline Filley, and Agnes Mulhearn. **Row II:** Todd Brem, Dave Dickson, Pat Forster, Vince Alexander, Don Romero, Kent Warner, and Steve Wood.

Grad-Nite Chairmen were, **Row I,** Left to right: Naureen Canny, Patty Waterman, Tamara Asseyev, Hannah Gruhn, Agnes Mulhearn, Leslie Clark. **Row II:** Jo Lindsey, Caroline Filley, Mary Gill, Noel Hudson, Bonnie Waite, Vicki Bedford, Karen Nesbitt, Patty Fish, Sue Wilson. **Row III:** Pat Forster, Todd Brem, Gregg Dalton, Dave Currey, Art Walsh, John Kovac, and Rich Whitman.

Top Ten in the class were, **Row I,** left to right: Carol Marsh, Sally Bates, Tina Paddack, Susie Rives. **Row 2:** Vincent Alexander, Pat Forster, Larry Hall, Porter Johnson, John Diebel, and David Dickson.

SENIOR

The suspenseful courtroom drama, "The Night of January 16th" was presented by the class of 1961 on the evenings of March 10 and 11. The play was the portrayal of the trial of Karen Andre for the murder of Bjorn Falkner.

Magda, the Swedish maid, was portrayed by Nancy Parsons.

"I claim this letter was forged", says the handwriting expert as played by Naureen Canny.

Could that be our student director, Barb Tinder, and friends at the cast dinner?

Pat Forster as defense attorney Stevens questions his client Carleta Raum as Karen Andre concerning the death of Bjorn Falkner.

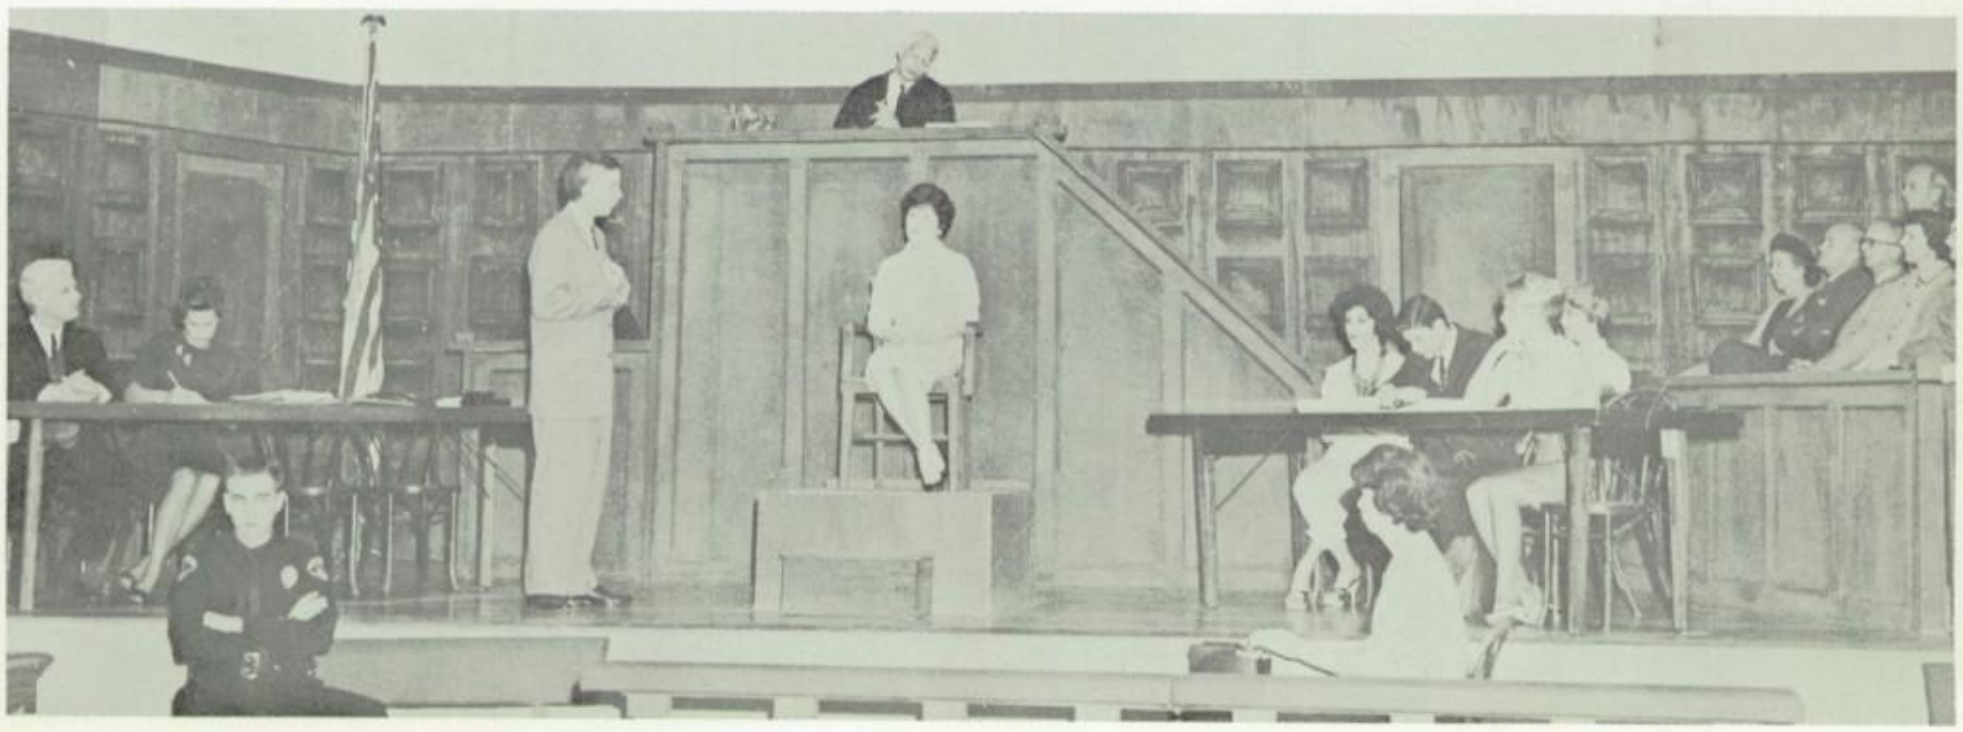
PLAY

The entire cast, directed by Mr. Russell Doughten and Barbara Tinder, spent many hours preparing the production. The class of 1961 topped all other classes in ticket sales and advertising. The Senior Play ticket salesmen collected a total of $2,399.05, a fine tribute to the class of '61!

Senior Play Cast, **Row 1,** Left to right: Naureen Canny, Karen Nesbitt, Noel Hudson. **Row II:** Bonnie White, Caroline Filley, Dick Reed, Mike Garoutte, Nancy Parsons. **Row III:** Dave Currey, Pam Johnson, Gorden Trimble, Carleta Raun. **Row IV:** Gregg Dalton, Phil Fetzer, Marty Price, Pete Kendall, Tim Price, Pat Forster, Tim Milham, Art Walsh. Not shown: Craig Brewerton, Leslie Clark.

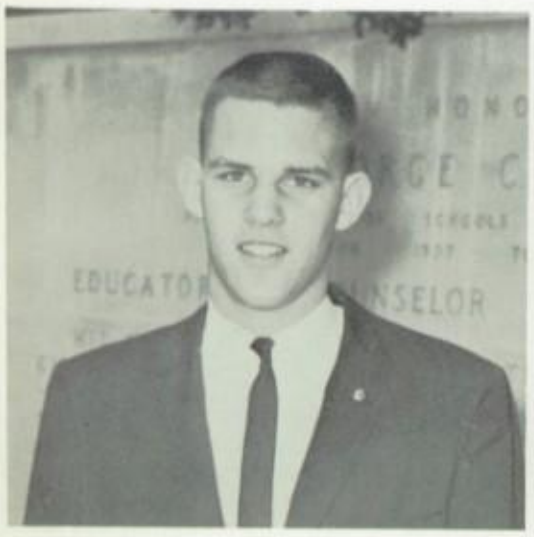
Phil Fetzer (Judge Heath) looks on as Art Walsh (Mr. Flint) interrogates Dick Reed, who played Mr. John Graham Whitfield.

Craig Brewerton as a rookie cop points out "that fellow Van Fleet."



Art Walsh as prosecuting attorney Flint is shown here questioning his client Nancy Lee Falker, played by Karen Nesbitt.

MIDDLE FELLERS



RON ECKHARDT
President

STEVE COLLIAU
Vice President

Being the middle fellers didn't seem to bother this year's junior class. Although they placed third in ASB sales and third in the Christmas Booth competition, this class showed their ingenuity by selling magazine subscriptions instead of collecting the traditional dues. These funds went to finance the highly successful Junior-Senior Prom. By participating actively in the student body elections in the spring, this class proved themselves most capable to become the next mighty senior class.

L'IL FELLERS

These frantic little sophs did their best to keep up with the hardy upperclassmen. Of course, there were those outstanding members who kept their class up front. The sophomores took first place in A.S.B. sales, and won second place in both the Christmas booth competition and Copa sales. They outdid themselves in competitive yells on their shelf. The year ended with the choosing of class rings and the traditional job of decorating the Commencement stands for graduation.

PEP ASSOCIATION

"We've got the pep! ! We've got the steam ! ! We've got the coach ! ! We've got the team ! !" These shouts from the enthusiastic 1960-61 Pep Association were heard at athletic events the whole year through. Sixteen cheer leaders, song girls and flag girls led the student body to a near-perfect football season. Skits, songs, and another unforgettable color day were the highlights of a year of spirit.

TIGERETTES

The Tigerettes performing at Color-Day.

"Pick up those feet!" was the familiar call as the 1960-61 Tigerettes marched onto the field for football games. The drill team, clothed in white uniforms with black and orange pin-wheel skirts and shaking pom-poms, also participated in Color Day and the Santa Claus Parade. Many mornings an early-bird student saw the weary Tigerettes practicing on the field to perfect a new step in preparation for a game or pep rally.

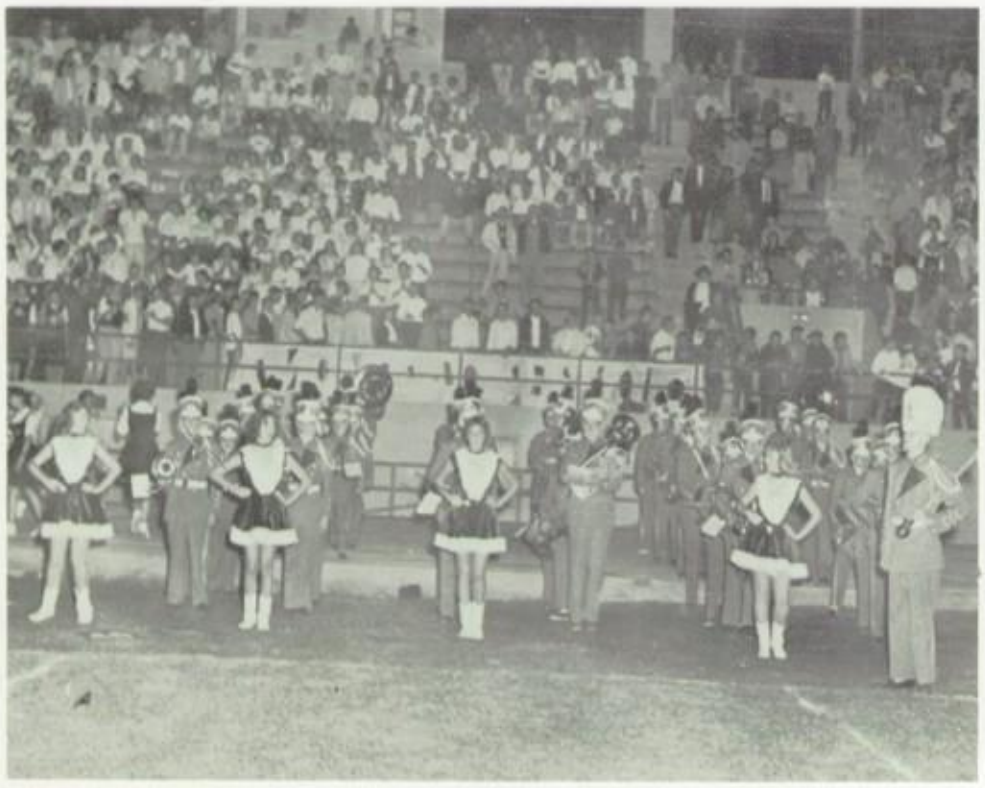
TIGER BAND



The Tiger Band performing at one of the football games.

Once again the fabulous Tiger band gave superior performances at assemblies, football games, and special activities. The band, a growing organization, concentrated on quality in 1960, and supplied the Espee campus with unforgettable music.

STAFF

Meet that deadline!! Roll those presses!! Let's get the TIGER out on time! With a great deal of anxiety and worn nerves the TIGER Staff members presented the student body with a fine newspaper which was published regularly. Through the efforts of the staff the student body members became better acquainted with the background of the administrators, learned of school functions, and read of the activities of their fellow students.

Bengals enjoy the feast at one of the football dinners.

BENGALS

Service has always been the keynote of the Bengals, an honorary organization. This year the Bengals have again served Espee by ushering at football games, Forum meetings, assemblies, Open House, and Back-to-School night. Other Bengal activities include the Bengal Dance, pre-football game dinners, and selling refreshments at the Senior Play.

LEGISLATIVE COUNCIL

Members of Legislative Council deliberate on school business.

In an attempt to find solutions to current school problems, the Legislative Council held frequent sessions. The members are elected from each first period class and bring in suggestions from the individual students.

CAMPUS COMMITTEE

Three hard working Campus Committee members.

"Pick up that paper and keep the campus clean" warn the signs. To Promote a sense of pride and interest in a clean campus and, to enforce closed campus is the job of the Campus Committee members. The post involves a certain amount of sacrifice, for the campus committee member often has to "eat away from the gang" or, due to errors of numerous indifferent persons, pick up papers.

Aldridge, M. Cooper, A. Merrill, D. Gilliss.

CHOIR

The choir practicing for a performance.

This year the choir represented the musical spirit of Espee at many of the school and community functions. The highlight of the year for the choir was their wonderful performance in the Christmas play and at the special musical assemblies.

C.S.F.

Burning midnight oil at study is a constant chore for those students who have been accepted by the California Scholarship Federation. The requirements are high for those who attain this honor. The grade requirement for acceptance is an "A-" average, which accounts for the late hours. Included in club activities this year were pot-luck dinners and a meeting with students from nearby colleges.

KEY CLUB

The drousy Key Club members at one of their early morning meetings.

Each year the Key Club takes on as its main project ticket sales to raise money for South Pasadena's float entry in the Rose Parade. The program is carried out by selling tickets to citizens of the community. In affiliation with the local Kiwanis club, the members also strive to support all club activities and to raise money for a scholarship which is given annually to a worthy senior.

RED CROSS COUNCIL

Toys collected by the Red Cross Council await distribution.

Due to student body effort under the supervision of Red Cross Council, many toys were collected to make Christmas a cheerful time for worthy fqmilies. Red Cross Council members are selected from each first period class, and they are responsible for student contributions to the American National Red Cross. This year the group also participated in the International Art program.

LATIN CLUB

Members of the Latin Club have a gay time at the club's Christmas party.

Even though Latin is termed the dead language, the Latin Club activities are anything but dead. Two of the most outstanding activities are the Christmas party and the Latin Banquet with its traditional togas, slaves, and FOOD. Advised by Miss Kimball, the Latin Club provides interest and entertainment for any student who has taken at least two years of Latin.

SPANISH CLUB

Southern California is partly of Spanish heritage, which probably accounts for the stimulation of interest in the study of this beautiful and expressive language. The Spanish Club is for these students who want to learn to appreciate this heritage more fully. Among the many activities enjoyed by the members this year was a Mexican dinner followed by a theatre party. Later on in the year there was a Christmas party.

FRENCH CLUB

Donna Loomer showing pictures of France at one of the French Club meetings.

Many a credulous Espee student has passed room 26 at noon believing that the sounds issuing forth were from a class of elementary pig-latin. No, those were merely the sounds of the French Club at work, for the members this year attemped to conduct all club business in French. The club's purpose is to enable the members to gain insight into the French language and culture. During Christmas vacation the club enjoyed dinner at a French restaurant in Los Angeles and later sang French carols for many South Pasadena residents. Another French banquet was held in the spring.

J.S.A.

In view of the state of international relations and United States domestic affairs, Junior Statesmen of America is of particular importance. The members of this club gain insight through discussion and guest speakers on national affairs. The South Pasadena Chapter of the J.S.A. hosted the Regional Convention, and representatives from schools all over the Southern part of California came to exchange ideas. This national organization, first formed to "make democracy work," is one of today's many character-building groups.

INTERNATIONAL RELATIONS

A noon meeting of the International Relations Club.

Because of the increase of interest among students in international affairs, the International Relations Club was initiated. Those who join the club are interested in furthering relations with foreign countries. They plan to develop this purpose by helping foreign exchange students adjust to American life and by sending materials overseas. One of their pleasurable tasks this last year has been to collect books for the distribution to foreign countries.

They also become better acquainted with the teacher's duties and problems. The members of the club not only learn important teaching methods, such as the art of accepting polished apples, for activities are of great variety. One of these activities was a joint pot-luck dinner with the club from San Marino.

Every year the students in the print shop do a great deal of production for the school. They print all of the absence cards, call slips, student hall passes, and any other material to aid the school. Besides learning all about the art of printing, the boys contribute their time to the printing of the school paper.

Our student bank acts as a clearing house for all school financial transactions. Seventh period finds the student bank members working diligently to check all accounts, checks, and bills for South Pasadena High School.

STAGE CREW

"Dim the spot Raise the curtain!" These are familiar exclamations from those unseen workers who find themselves at every assembly, viewing it from backstage. Their many contributions to the various dramatic performances and assemblies often go un-noticed by the members of the student body, but their work is essential. A play without backstage organization would be a dreary one indeed, and lighting effects are of vast importance in the individual presentation at the assemblies.

PROJECTIONISTS

In the modern school of today, much time is spent viewing motion pictures pertinent to the subjects being studied. Many responsible members of the student body have been selected for their skill in running projectors and dealing with minor emergencies, such as turning off the lights. Because of their efforts, it is possible for the teachers to use movies more often as an aid to learning.

STUDENT STAFF

To growing teen-agers, food is of vast importance. The student staff members make it possible to curb these enormous appetites by selling food at the student store, cafeteria, and brunch line. They also offer school supplies and other necessary items. It is through their efforts that our student store is open before school, at brunch, lunch, and after school. It is also through their efforts that we have the most well-fed student body imaginable.

ATHLETICS

The Tiger football Varsity, out to retain their CIF Championship title of last year, came within one point of making it "two in a row" for South Pas. But the single point was the margin of victory for Temple City in a hard-fought and rugged battle.

Despite the loss, the Tigers finished the season with the same win-loss record for pre-league and league games but scored more points than last year's famous team.

Coach Ray Solari and his assistant Ken Swift put together a hard-charging line in front of the League's finest backfield, to open the season with a decisive win over Hart, 34-7. Next came Beverly Hills, with a veteran squad. The Tigers offense was beginning to show its power. The final score was 32-6. Then came a week of heavy-duty contact, as the Tigers sharpened their claws for Claremont, winner of last year's pre-season tussle. The game was a real thriller, with both teams showing plenty of blocking and pursuit. The explosive runs of Don Johnson and key passes by Dave Dickson broke open the game in the second half, as the Tigers won 25-14.

There was no time for a breather before League play opened against Eisenhower. With the chance of gaining League status by beating S.P., the Colton squad was really fired up. Four quarters of bruising football was the result, with the final decision (25-20) going to the Tigers.

Practically everyone in South Pasadena traveled to San Marino and saw South Pasadena fall behind by one point early in the game, as the San Marino attack ground out consistent yardage. But the Titans had made their big move. Stubbornly, bitterly, the South Pas offense fought for yards. Time was fast running out when the relentless pressure at last produced the go-ahead touchdown. It was a 13-7 victory for the Tigers that can rank with the greatest in this famous rivalry.

In spite of a season-ending injury to Jeff Howe, and an elbow injury to Don Johnson, the Tigers felt they were ready for the rest of the League schedule. They proved it with a 47-7 tromp over Bell Gardens at Roosevelt Field. It was a game in which the inexperienced Lancers tried hard but could not sustain an attack. The following week the high-scoring Temple City Rams, led by three all-league players, arrived to take on the Tigers in a crucial battle for the title. For shear wild-eyed excitement and thrills, the game was one of the greatest. It had everything — sensational blocking, running, and passing. It was a see-saw scoring race by two highly-charged offensive teams at their best, and a game the clock had to decide. And it did, ticking off the final seconds as So. Pas. fought gamely to prevent the 41-40 loss.

Covering their disappointment with a week of hard practices, the Varsity headed for Artesia, determined to close the season with two solid victories. The Pioneers were completely bottled up as the Tigers ran and passed to a 40-0 win. The final home game found the visiting Lancers from Norwalk primed to pull an upset. However, the South Pasadenans had no intention of any such doings. Everyone got into the game as the Solari-men rolled in high gear to a convincing 40-24 upset.

South Pasadena students and alumni are all immensely proud of this year's squad. Their season record was an outstanding 8-1. In addition, they set an all-time high total for scoring in regular season play with 296 points in nine games. The team total for scoring in regular season play was a major factor in setting their fine record under the coaching of Solari and Swift.

BEE FOOTBALL

The Bee football team, under the capable leadership of coaches Tysell and Douglas, finished their league season with a three win — two loss record. The Tiger team had an over-all record of four wins and five losses. The outstanding running of backfield man Cam McLin was a highlight of the season. This year's squad, as usual, was predominantly composed of sophomores. Coach Solari is looking forward to having many of the Bee-men on the varsity next year.

With a half-dozen seconds left to go in the first overtime period, Canfield jumped high into the air, turned toward the basket, and painstakingly pushed the orange ball toward the net. At this time the Tigers were behind 48-49 in the first overtime period of the crucial San Marino game.

The basket was good and the Tigers were now leading 50-49. Before the Titans could take the ball out of bounds the gun fired. South Pasadena won.

This final win gave our varsity a 5-5 record for league play.

One of the outstanding feats of our team was their placing third in the Foothill League Tournament, which was composed mainly of AAA schools. The Tiger team also won the sportsmanship trophy. Clark Canfield was voted most valuable player.

Leading the team this year were Season Captain Clark Canfield, All-League choice Dave Dickson, and that out-standing dribbler Dave Moore.

South Pasadena's basketball coach, Jack Swartzbaugh, developed a versatile squad that showed plenty of hustle and good team play. With a rugged schedule from start to finish, the Tigers came thru the over-all season on the winning side with a record of 12 wins against 11 losses.

CROSS COUNTRY

This year's cross country team had a somewhat less than impressive season. Mr. Knarr's squad just didn't have enough "warm bodies" to give the squad depth and steadiness. This year's squad was captained by Ernie Earnshaw, who was the team's leading runner until forced to drop out due to illness. A real surprise, however, was Pat Snowden, who moved right up to become as good a runner as Earnshaw. He now holds the present school record on the 1.7 mile course of 8:56.0.

A victory was posted this year over Claremont, where Earnshaw set a course record. La Salle and Bell Gardens were other conquests. Coach Knarr lettered seven varsity runners while coaching his season of cross-country. They were: Ernie Earnshaw, Bruce Marrs, Bill Harker, Eckhart Drope, Pat Snowden, Rich Belding, and Jim Buell. Earnshaw and Harker both received Gold A.S.B. cards for lettering in three years of competition.

Row I, Left to right: J. Buell, S. Earnshaw, E. Drope, R. Gould. **Row II:** F. Letter, R. Belding, P. Snowden, B. Marrs.

TENNIS

Under the urging and shouting of Coach Knarr the tennis team has been working hard. Three top players have been building Coach Knarr's hopes of taking second place in league. They are Bill Stringfellow and Bill Erickson, two returning lettermen, and Dave Moore, who is considered one of the most promising men.

The varsity baseball team, under the direction of Coach Ray Solari, looks trim and are a major threat in the Rio Hondo League and C.I.F. championships. In 1959 the team went all the way to the C.I.F. quarter-finals and in 1960 they again entered the playoffs.

The Tigers have several lettermen returning. Dave Dickson and Jeff Howe head up the pitching staff with Don Johnson catching their fire-balls. Dave Shetler and Bill Strople handle the infield balls while Dave Currey and Mike Paris rank high in the outfield. Supplementing these V lettermen are many of last year's JV lettermen. This team's horizon looks good. Coach Solari has whipped these boys into a fine team. Their pre-League record shows that they can, and should go all the way.

Bill Phegley barrels toward second on a high pop.

Bill Howe races hard to beat out a single.

Ron Kidd rounds first in hopes of making a double.

J.V. BASEBALL

As in years past the J.V. Baseball team has produced many of the first string varsity members. Coach Jack Swartzbaugh instills the basic skills of baseball into his team members. He is known for developing many a winning team.

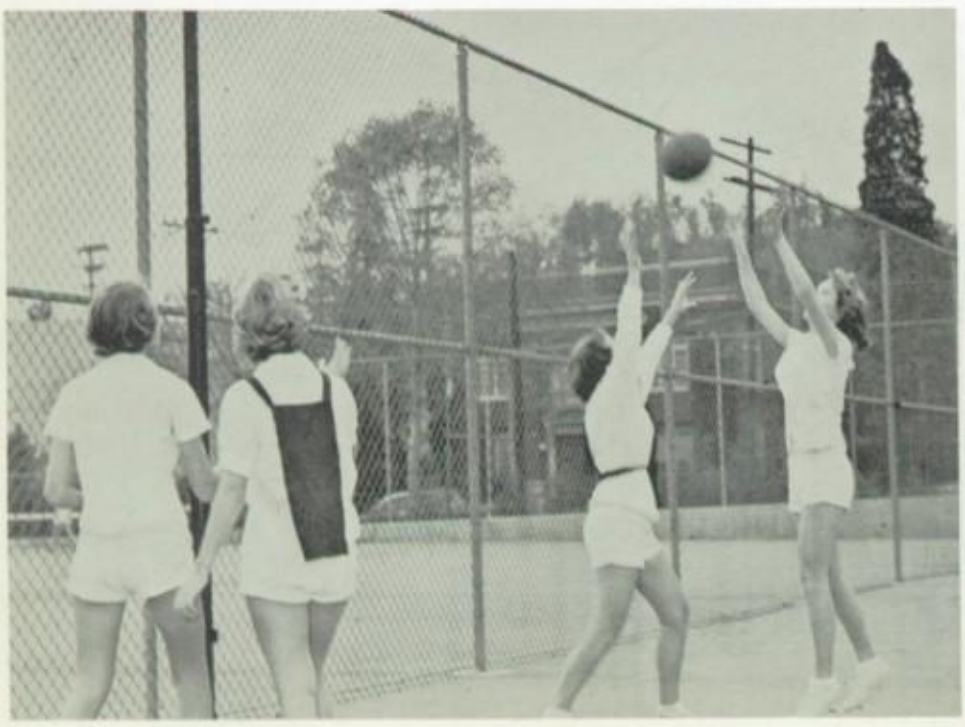
A tennis player prepares to receive a smashing serve.

Boys are not the only ones who participate in an invigorating sports program. The girls at SPHS enjoy strong team competition throughout the year in hockey, speedaway, baseball, baseball, and volleyball. Individual abilities were also displayed in tennis, badminton, and archery.

As the bell rings, the speedaway teams rush into the gym.



B. Wallace, D. Diehl, M. Gill, and E. Scott play basketball in 5th period.

Seven archers are all hoping to hit the bulls-eye (natch!)

MODERN DANCE

Mary Cademartori, Sue Blair, and Dona MacDonald demonstrate levels.

Elizabeth Johnston, Sue Curtis, Pat Kirkpatrick, Dona MacDonald, and Mary Gill participate in a group dance activity.

Dona MacDonald, Missy Harker, and two others perform a flexion exercise.

Characteristics of creative imagination and gracefulness were promoted in an active modern dance program this past year. The class provides an opportunity for girls to create movements and short dances to rhythmical music, as shown here.

Chuck,
Haven't it
been fun trying this
year to be Pink. English
reform it. We've had much
won't it be a nutt year. Have
been lots of fun this summer
Lots of luck to a terrific guy.

Love,
Donna K.

Chuck
Well English wasn't
always ~~nice~~ interesting
but anyway next yrs
should be great.
Mike Shumer

We gaze across the crimson sky to the nearing horizon. What lies ahead — failure or success? We cannot know, cannot see. We can only feel inside that beyond the first golden sunset is yet another . . . and another . . . and another . . .

Tomorrow's firm hands make us feel secure, yet they yield to our desires for freedom. Where shall we roam? What shall we do with our abilities?

As we step from the harboring walls of education onto the threshold of the future, we bid farewell to conquered horizons, old friends, good times. But we don't forget them . . . we merely go in search of new ones . . .

The book you hold now has been produced by one of the finest staffs ever to inhabit the Copa room. We must not neglect acknowledgement of our classes photographer, Mr. Brooks, and of the cooperative advertisers. Mr. Phippin, annual advisor, has offered infinite suggestions and aid. We also thank Bob Penzenik for his cooperation in the darkroom. Most of all we thank you, the class of 1961, for existing.

CHUCK-
BEST OF LUCK
IN FUTURE YEARS.
IT'S BEEN LOTS OF
FUN KNOWING
YOU THIS YEAR.
YOUR FRIEND
LOUIE
"62"

Chuck-
Best of luck to
a senior guy.
Neal Hoffman

Chuck -

How was baseball this year? I hope you play for us again next year when we're mighty seniors. It was a blast in English. Poor Black will never be the same.

I'll see you this summer, and I hope we can get some classes together next year.

Al Brayley '62

Charles,
It has been highly fascinating in algebra ~~today~~ this year. Best of luck as a senior in all your athletic and scholastic endeavors.
Rich Belding

Chuck—
Now—what shall I say? ... ah—let me see—well—ah—now—well anyway—well, I guess there is really not very much for me to say because if there was you wouldn't want to hear it and since there isn't you won't want to hear it. So—so I guess you already know what I can't remember to tell you—Anyway, I really have had fun this year knowing you and your buddies and your—your—ah knowing your—let's say—yourself. So continue—I hope we can be good friends next year and so Vale Gail

Chuck—
Too bad you flunked Advanced Algebra this year. Maybe I could give you some private instruction.
Pat Shrundle '62

Charlie
I guess that you don't want me to call you that anymore. I'm sorry much fun. I've been meaning to but I'm sure you don't your mind. Happy birthday! I really to see me tonight I can you a lot. Take
Kitty

Chuck,
Next year's the
Mighty Seniors
that's what we're be!
Hope you have a fabulous
year filled with much happiness and
the most success possible
Best to You Always.
Barbi Flock

To the greatest!
To the....
well anyway
good luck
on your
SENIOR year.
Mickey O'Hara

Chuck (star!!)
Have a really really great this
year. Have a crazy summer
Paul Bell!

Have fun
I concede.
Paul Peck

Chuck
Last for
always
Barr.

One thing we can say
is we had a strong
bench in baseball.
but we will
be back next
year maybe!
Phil W

chuck—
well, I finally got
to sign your book.
I didn't know you
last year but it
was fun getting to
know you in chem.
this year. How could
you take it sitting up
at the front of the
class? Did you have
fun at the Prom? Good
luck next year.
Penny
(Paine)

Dare you,
Chuck
Why? you bother
me no end.
Actually good
luck & all
that guano.
Remember me
